

## Letter from Alexander Graham Bell to Mabel Hubbard Bell, May 25, 1899, with transcript

ALEXANDER GRAHAM BELL TO MABEL (Hubbard) BELL Beinn Bhreagh, C. B.  
Thursday, May 25, 1899. At B.B. Laboratory. My sweet darling faithful little wife:

I am just taking stock of all the notes you have sent to me since coming here and trying to recollect how many times I have written to you in reply. I am afraid there is a fearful balance against me — on paper — but the heart-balance I am sure is O.K.

Received notes post-marked or dated, May 3, 4, 5, 10, 11, 12, 13, 15, 17, 19, another undated now before me.

Written notes dated? only three I can think of — perhaps four.

THERE To be continued. AGB.
